The two areas mentioned in paragraph 1 above will each be divided into three sub-periodic blocks. All felled timber will be held to be at the risk of the licensee and to be liable to the payment of royalty which must be paid before removal from the islands or conversion to a sawmill.

9. For the first three years of the license royalty will be payable at the rates agreed on and on the amount of timber felled. For thereafter minimum annual royalties will be payable as follows:—

10. Except with the special permission of the Divisional Forest Officer all pulaski trees sound or wounded which have been marked by the forest officers as in their opinion worth extraction must be felled and royalty paid on them.

11. Should the licensees desire to exploit any form of minor produce or any timber other than those species mentioned above, they may be permitted to do so on terms to be settled hereafter by the Chief Commissioner of the Andaman and Nicobar Islands.

12. The licensees will be subject to such restrictions as the Government of India may prescribe to prevent communication between their employees and the coastal population in the Andaman.

17. The license must be submitted on forms to be obtained from the Secretary to the Government of India in the Department of Revenue and Agriculture and must be accompanied by a receipt for the payment into any Government Treasury of a sum of Rs. 2,500 in cash or by Government securities. This deposit will be returned to unsuccessful tenderers, but in the case of persons whose tenders have been accepted will be subject to forfeiture in the event of their failure to execute within the time specified, the agreement referred to below.
